

For Immediate Release

27 April 2025

**Creative Costumes, Colourful Moments, and Community Health Take Centre
Stage at Sunway Baby Homecoming**

Bringing together children, parents, and health professionals for a meaningful morning of fun and learning

27 April 2025, Seberang Jaya, Penang: Sunway Medical Centre Penang's grounds were filled with colour, laughter and proud parents as families gathered for the **Sunway Baby Homecoming** — a community event celebrating the creativity and growth of children while promoting health awareness for families.

More than 100 children took part in the vibrant event, which featured a **Photo Contest, Colouring Contest** and a **Talent Show – Fashion Show with Catwalk**, where participants dressed as beloved movie characters and brought their movie characters to life on the runway. The event also offered health education booths, led by Sunway Medical Centre Penang's allied health team, providing tips and resources for parents on child development, nutrition, and family wellness.

The morning culminated in a lively prize-giving ceremony, celebrating the effort and talent of all participants.

“Today, we witnessed how art and fashion can bring the children's boundless imagination to life through today's interactions. Their creativity flowed freely with every brushstroke, and their pure, joyful smiles shone through every outfit and accessory. This is more than just an event — it is a vibrant celebration of the resilience, hope, and boundless energy within each child.” — Ms. Christine Lee, Chief Executive Officer, Sunway Medical Centre Penang

The Sunway Baby Homecoming marks another step in the hospital's ongoing mission to build stronger connections with the families it serves, creating opportunities for joyful memories and valuable health education.

The event was made possible with the generous support of sponsors including Sunway Theme Parks and Haus who contributed to making the day even more memorable for participating families.
